For over 23 years, Reed's Metals, headquartered in Brookhaven, Miss., has been an industry leading provider of metal roofing systems, metal roofing panels, pole barns, and pre-engineered steel buildings in the South. Reed's is comprised of 9 manufacturing sites utilizing state-of-the-art technology and fabrication methods to provide unprecedented quality and service--offering same-day availability on standard roofing orders and in-stock supplies, on-site roll-forming for standing seam projects, and job-site delivery within 72 hours on most projects. Our offerings include pre-engineered metal buildings, post-frame structures, tube building structure and storage solutions. Our quality products come with an industry leading warranty, and we have a huge selection with over 20 colors and 10 metal panel profiles available. The continued growth and success of Reed's Metals is due to our dedicated employees and our loyal customers who have chosen and installed our residential, agricultural, commercial and industrial products all across the region. Customer service is and will remain our top priority! Reed's Metals was awarded the Metal of Honor 2021. We are truly honored.
